MINUTES OF MEETING

Thursday, February 27, 2014
Executive Council Meeting • 9:00 a.m. – 12:00 noon.
JW Marriot Marquis, Miami

I. Call To Order – C. Ryan Reetz, Chair

Quorum present and meeting called to order by Chair.

II. Secretary Report – Eduardo Palmer, Secretary

- a. Consideration of Minutes – November 11, 2013.

Minutes approved.

III. Treasurer Report – Alvin F. Lindsay III, Treasurer

- a. Financial Statement – January, 2014. (Agenda – Attachment A)

Treasurer presented financial statement and answered questions regarding same.

IV. General Matters

- a. Foreign In-House Counsel.

Report by Committee Chair, Chris Johnson on study and proposal to expand the ability of foreign admitted in-house counsel operating in Florida to advise client in Florida, similar to what is currently allowed in states such as Texas and New York. Johnson worked with counsel from Kenny Nachwalter firm, who also explained study and proposal. Two sets of possible rules as examples: American Bar Association (ABA) rule and Association of Corporate Counsel (ACC) rule. ABA rule is more restrictive and more in line with what 6 or 7 states have already adopted. Consensus was to move forward using ABA rule as model. The proposal would amend Chapter 17 of the Rules Regulating the Florida Bar.

Ed Mullins noted that Vision 2016 is already considering this issue and that the ILS should roll its project into that process. Motion made and approved to pursue approval of the proposal using a dual track approach. Present proposal to Vision 2016 and to the Bar's appropriate committee for amending Chapter 17.

- b. Sponsorships

Peter Quinter provided a report on sponsorships.

c. Website Status

Peter Quinter provided a report on the ILS website. He encouraged all members to provide content by supplying information about their recent activities and accomplishments.

d. International Litigation and Arbitration Designated as Certification Status.

Gary Davidson provided a status report on petition to Florida Bar to create a new class of certification for international law. New class would encompass certification for international litigation and arbitration. Need 100 signatures and expects to complete that process by the end of February 2014. Once the necessary signatures are obtained, the goal is to begin administering the first new tests by summer 2015.

e. Legislation Status.

Carlos Osorio gave the report for the Legislative Committee. The goal for the 2014 legislative session is to continue opposing passage of the bill banning the use of foreign law in certain proceedings, commonly known as the "Sharia law" bill. Senator Hayes has once again filed the bill, SB 386.

f. 2014 – 2015 Retreat

Peter Quinter discussed the possibility of restarting annual section retreats. Business Law Section (BLS) holds retreats and they are well attended and productive. Retreats will help people get to know each other and cross-market. Discussion regarding different times of year and locations to hold retreats. There was support for holding retreats which would be largely self-funded with some possible financial assistance from sponsors.

g. Committee Reports. (Agenda – Attachment B)

Laura Reich reported on ILAC.

Mariela Malfeld reported on the Vis Pre-Moot.

Peter Quinter reported on a customs and trade conference in May 2014.

V. Chair's Report

- a. The Florida Bar Annual Convention, Gaylord Palms Resort and Convention Center, Orlando, June 26 – 27, 2014.

ILS Chair, Ryan Reetz discussed alternative ideas regarding our section meetings at the annual convention. He discussed the possibility of combining some or all of our meetings with the BLS meetings as a means of expanding relationships between the sections and their members. Consensus was that ILS should expand its relationship with the BLS but needs to keep its core meetings separate in order to maintain section identity and objectives. Motion made and approved to have a joint ILS/BLS lunch on Thursday, June 26, 2014 (12 noon) and a joint reception that same day at 6:30 p.m. Various members of the ILS indicated that they intended to attend one or both joint functions.

- b. UF law school invites ILS members to attend its Int'l Law Society meeting to provide guidance to students.
- c. Ave Maria Law School also looking for ILS members to attend a law school reception on March 20, 2014.

TO: ILS Executive Council
FROM: Rafael R. Ribeiro
RE: Legislative Committee Report
DATE: June 12, 2014

In December 2013, the ILS Legislative Committee reached out to its members and volunteers to shore up support for what now seems to be its yearly opposition to anti-Sharia legislation introduced in the Florida legislature and to brainstorm on proposed legislative efforts aimed at making Florida a more hospitable place for international litigation and arbitration.

Quickly, however, all of the Committee's resources were allocated to opposing the anti-Sharia legislation, which, according to insiders, had a very good chance of passing this year (it was narrowly defeated last year). Regan Kruse and Katie Sanoja led the charge on reaching out to legislators and their staffs with the help of several new volunteers: Bilzin attorneys David de la Flor, Michael Levine, Sacha Boegem, and Joseph Mamounas, UM Student Nathan Arentsen, and Vivanco & Vivanco's Grant Smith. Eddie Palmer and Carlos Osorio were instrumental in leveraging our relationships with the ACLU, ADL, FIBA, CABA, and other civil and legal associations to voice our displeasure with the legislation. Of significance importance was Eddie's and Carlos's interfacing with Senator Simmons to prepare a strike-all amendment to the legislation that would generally alleviate our concerns. The Simmons Amendment eventually was adopted and, while not perfect, it was a solid compromise that basically codified already-existing caselaw relating to Florida courts' general application of foreign law.

On an unrelated note, we're sending a Survey Monkey to all ILS members asking them to give us their input on legislative initiatives that they'd like to see addressed. It should go out this Friday (Jun. 13).

MEMORANDUM

To: Selected Division, Section & Committee Chairs / Chairs-elect

From: Paul F. Hill, General Counsel 

Re: "Sunsetting" of 2012-14 Legislative Positions

cc: Board of Governors, John F. Harkness, Jr.; Rosalyn Scott; Selected Division, Section & Committee Liaisons and Lobbyists, Selected Division, Section & Committee Legislative Chairs, Steve Metz, Jim Daughton, Aimee Diaz Lyon, Joni Wussler

Consistent with the provisions of Standing Board Policy 9.20(d), all Florida Bar legislative positions for the 2012-14 biennium – to include those of committees, sections and divisions – are to be "sunsetting" at the July 25-26, 2014 meeting of the Bar's governing board.

Attached is a current listing of recognized positions for your division, section or committee. The complete master list of all legislative positions within The Florida Bar is available online at this link: <http://www.floridabar.org/tfb/TFBLegNW.nsf/dc7ee304c562ed5b85256709006a26ee/e9db5ca1c9671a0385256b2f006cd0ce?OpenDocument>

Please review your group's existing positions for moot or stale issues, and advise me of which items you deem worthy of continued advocacy in the 2014-16 biennium which begins upon the legislature's organizational session next fall. For convenience, you may return a marked copy of this attachment that indicates your preferences.

Existing legislative positions of voluntarily-funded Bar groups (all sections and the Out of State Division) which are recommended by you for continued advocacy in the new biennium are typically re-approved by the Bar's governing board without any additional formality. Your prompt response to this memo should allow for timely "rollover" action by the BoG at its July 2014 meeting without lapse of any current position that you wish to maintain. However, any request for entirely new legislative positions by your group must be submitted in a more complete form.

Existing legislative positions at "Big Bar" level and those of Bar committees and the Young Lawyers Division – which are supported by mandatory membership fees – are treated differently. Following the sunset of these particular positions, the Board of Governors typically leaves this portion of The Florida Bar's legislative platform blank until later in the year. Any positions in these categories that are considered after this lapse (whether similar to previous ones or not) are reviewed *de novo*, and treated as new in every respect – particularly for purposes of member dissent and potential fee rebates under R. Regulating Fla. Bar 2-9 3. Regardless, if you have particular recommendations for Florida Bar, YLD or committee-level advocacy in the new biennium, please share them with us.

The Governmental Affairs staff at The Florida Bar offers its assistance to your section in complying with this request or for suggesting other possible legislative activity within the Bar. Any off-season legislative emergencies can be considered by the Bar's executive committee or president at any time. You may contact me or my assistant – Joni Wussler – at phill@flabar.org or jwussler@flabar.org, or by calling us at 850 / 561-5662 – or Toll-Free at 800 / 342-8060, Ext. 5662. We look forward to working with you.

DHS, Labor Department and State Department Liaison Committee Report

by

Larry S. Rifkin, Co-Chair DHS, Labor Dept. and State Dept. Liaison Committee
Jacqueline Villalba, Co-Chair DHS, Labor Dept. and State Dept. Liaison Committee

As of our last meeting on February 27, 2014, the DHS, Labor Department and State Department Liaison Committee continued to maintain an active committee. On March 13, 2014, we presented an audio webcast to Florida Bar members entitled *Immigration Benefits Available to Same Sex Couples in Light of the U.S. Supreme Court's Decision in Windsor*. The audio webcast offered one (1) CLE credit in Immigration and Nationality Law, International Law, or Marital and Family Law.

On April 15, 2014, on behalf of the committee, we attended a stakeholder meeting at the USCIS Texas Service Center where we met with the Service Center Director and several key staff members to discuss current policies and trends in adjudications. On July 16, 2014, on behalf of the committee, we will be attending a stakeholder engagement with the USCIS Nebraska Service Center and Texas Service Center to discuss business and employment based immigration matters. The Texas and Nebraska Service Centers have jurisdiction over permanent employment based immigration matters filed by applicants residing in Florida.

VIS PRE-MOOT COMPETITION

On March 1, 2014 the International Law Section of the Florida Bar sponsored its annual pre-moot competition at JAMS Miami. It was well-attended and within budget. There were nine schools that participated: The Bahamas, University of Georgia, Loyola (New Orleans), University of Florida, University of Miami, Florida State University, Nova Southeastern University, Florida International University, and Stetson. It was an all-day competition that started with the first round at 9 a.m. The last round ended at 5 p.m. The students were judged by a panel of three arbitrators. The arbitrators were volunteers from the legal community and included former moot court participants, current arbitrators, former judges, and Judge Bailey of Miami's International Arbitration Court. There were over 20 volunteer arbitrators. Between the 9 schools, approximately 50 individuals (coaches and students) were in attendance. The ILS provided each of the participating Florida schools \$2500 to defray the cost of attending the Vienna moot or the Hong Kong moot.

The team winners were:

First place: Loyola, New Orleans

Second place: Stetson

Third place: FIU

Best Oralist: Margaret Spicer and Carrie Rosato (tie) from FSU

Runner up oralist: Alexander Thorlton from FIU

The steering committee:

Mariela Malfeld

Sharié Hudson

Amy Shenstone

Katie Sanoja

Travel Law Committee

I believe that the Travel Law Committee should be sunsetted until the time that more interest is shown in this committee. The International Forum of Travel and Tourism Advocates of North America continues to meet annually in Fort Lauderdale, is well attended, and represented by several members of the Florida Bar. Travel and Tourism remains the number one industry in the State of Florida and it is regretful that after many years of great activity that interest in this committee has waned.

Sincerely

Laurence D. Gore
