- **International Litigation Track**
- **International Business Transactions**

**Friday, February 16, 2024
JW Marriott Marquis
Downtown Miami, Florida**

About the Florida Bar International Law Section

The International Law Section of The Florida Bar (ILS) was founded in 1981 to provide an organization for members in good standing who have an interest in the field of international law. It is also a forum for the sharing of knowledge, experience, and “best practices” that may improve the administration and application of the statutes, rules and regulations of international law and enhance the proficiency of practitioners.

The ILS is the authoritative go-to forum for Florida and anyone practicing international law. The ILS is open to lawyers from other states and countries, full-time faculty at U.S. law schools, and full-time law students, all of whom may participate as associate members.

The ILS assists its members in developing thriving international practices by giving them access to a peer network that facilitates exchange of information and ideas and reciprocal referral of clients and casework.

About the iLaw Conference

The iLaw Conference is the ILS's flagship event and features three parallel tracks: (1) international litigation, (2) international business transactions, and (3) the ICDR international arbitration track. The conference is the premiere conference in international law and is attended by legal practitioners from the United States, Canada, Europe, and Latin America. This year, we are expecting about 200 attendees!
